

MCU Card Valet
New Security Feature!
Freeze Your MCU Debit Card When You're Not Using It! Unfreeze It When You Need It!

[LEARN MORE](#)

Mountain Credit Union has added a security feature to better safeguard your Visa Check Card. MCU Card Valet will allow you to freeze or deactivate your MCU Visa Check Card so that it cannot be used by an unauthorized person. Unfreeze or activate it when you're ready to use it!

How does it work?

- 1. Go to the App Store that your smart phone supports**
- 2. Search for Card Valet**
- 3. Download the App**
- 4. Enter your card number information to sign up for the protection**

Please be aware that Card Valet only works with Mountain Credit Union Visa Check Cards. It does not work with Mountain Credit Union Visa Credit Cards at this time.
