

## Mountain Credit Union in partnership with The Carolinas Credit Union Foundation

---

As we think of those in Houston that have been devastated by unprecedented flooding in the wake of Hurricane Harvey—we remember our philosophy of *people helping people*.

**Mountain Credit Union will match individual member donations up to \$2,500 through September 30, 2017.**

**All donations will be sent to the  
Carolinas Credit Union Foundation's Disaster Relief Fund**

*The Carolinas Credit Union Foundation distributes resources to aid any disaster-stricken members of the credit union movement including credit unions, other state foundations, the National Credit Union Foundation, and credit union employees, members, and volunteers. Dollar-for-dollar, each donation is disbursed for the purpose of the fund. Though the Foundation's 24 year history, more than \$1.03 million has been awarded in disaster relief aid.*
