

This free community event gives you an opportunity to bring your sensitive documents to be shredded! It's the perfect opportunity to clean out your files and to safely discard credit card statements, old checks, IRS tax returns and any other sensitive material. All of the paper collected on Shred Day will be recycled saving our natural resources! Plan to bring your documents on the date and location that is most convenient for you!

Donate non-perishable food items or school supplies and receive FREE shredding of your sensitive documents! We will get your donation to those in need in our community! People Helping People
